# Winterbourne Junior Girls' School

## Year 6 Newsletter 12

Week ending: Friday, 1st December 2023

### Our Learning this week:

**In English**, Year 6 analysed Shakespeare's use of language, in 'Romeo and Juliet', and learnt how it conveyed the characters' state of mind using the appropriate vocabulary. They explored Juliet's character in specific, and wrote from her perspective. Here are some diary entries.

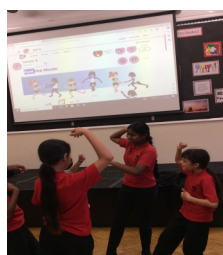

**In Maths**, they learnt and revised how to convert the units of measurement, and used that knowledge to solve reasoning problems involving measures.

**In History**, Year 6 used a range of primary and secondary sources to explore 'Education' and Medical Conditions' of 5 different time periods in the British History. They work collaboratively to conduct research, collate and analysed the information.

### Word of the Week

Eschew

**In PE**, girls performed their group dances which they prepared using a range of movements and sequences in response to different music.

### Reading Certificates:

6.1: **Hasanat, Afia, Hasna, Seema, Navya, Tvisha, Alexandra, Ridhy, Malaika, Adeena**
