Year 5 Newsletter

Week ending Friday 19th January, 2024

This week, pupils explored the summarising skill in Reading Comprehension. They wrote in the Recount genre—two entries for a Ship's Log based on the events in the class' novel: Kensuke's Kingdom.

In Maths they read and interpreted line graphs with two and three sets of data and answered questions.

In Science, pupils revisited electrical circuits and investigated circuit properties.

They differentiated between Great Britain and the British Isles in their Geography lesson. In addition, they used the atlas to label parts of the British Isles.

In PSHE, pupils identified a job they would like to do when they grow up, discussed what motivates them and researched what they need to do to achieve it.

For RE, they drew their version of one the tri-murti.

Notice

It is cold so please ensure that your daughter has a hat, gloves and coat.

Year 5 has an up-coming trip to the Science Observatory Centre next month. Look out for a letter about this soon.

Reading Skill Focus: Comparison

This skill requires pupils to identify similarities and differences between two things.
