English:

Writing: This week, the girls explored Juan's inner thoughts and feelings through participating in a conscience alley drama activity. They considered the pros and cons of Juan visiting in his mother's house, after he was locked out of his grandmother's house. This then helped the girls write a first person monologue, from Juan's perspective.

Reading: This week, we focused on the reading domain 2c: summarise main ideas. They followed the acronym to help summarise, please ensure your daughter answers the three summary questions in their record log. They should answer each question and have three log book entries altogether. Please see the record log for more information.
