Aspirations, Expectations, No Excuses

This Week...

English *Charlie and the Chocolate Factory*

The girls performed their monologues to the class and it was really inspiring to hear the varied language choices they had used. The girls then started to look at the Oompa Loompas and the hostile environment they used to live in.

Mathematics

The girls learnt more about graphs and how a line graph shows a trend. We have just started work on hundredths, fractions and mixed numbers.

Science

The girls thought about whether chocolate is good for our teeth. They learnt a lot of facts about teeth including keeping them clean and not eating too much sugar. They enjoyed the small square of chocolate and realised that they use their molars for grinding the

chocolate.

Geography

The girls looked at the structure of a rainforest and the native people who live in the forest and how they look after their environment and work in harmony with it.

Art & Design

We looked at different styles of lettering.

PSHE

The girls thought about resilience when dreams are broken.

Religious Education

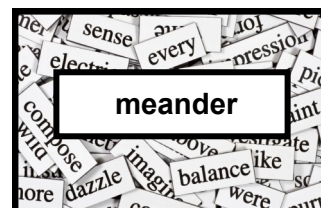

We leaned about Jewish food laws.
