## Year 5 Newsletter

Week ending Friday 23rd February, 2024

This week, pupils explored the inference skill in reading comprehension and have discussed, identified and used coordinating conjunctions in Grammar. For writing, pupils planned and wrote the first part of their book review, where they commented on the author and his use of language, front cover of text and the plot of the story.

During their DT session, pupils wrote instructions for playing their Shaky Hand Tester game.

Pupils have begun Real Gym in PE where they learnt to create basic shapes, ways to travel and methods of flight.

On Wednesday, Year 5 visited the Herstmonceux Science Observatory Centre, where they completed a series of hands on activities, participated in workshops and enjoyed a Science Show.
