Winterbourne Junior Girls' School

Year 6 Newsletter 21

Week ending: Friday, 23rd February 2024

Our Learning this week: We have been revising classification of plants and animals this week, and the girls had a chance to practise what they had learnt at the Sutton Eco Centre, where 6.2 went to do some pond dipping. As well as finding and investigating a range of pond creatures, we discussed how vertebrates and invertebrates are classified, using this knowledge to

group different creatures. The trip was enjoyed by both pupils and staff, and we didn't really notice the gloomy weather!

This week in English, the girls watched the film of "The Wolves of Willoughby Chase" and wrote a film review. They carefully selected formal words and phrases in order to write in the necessary style.
