Textile Enrichment Day

For this year's Enrichment Textile Day our focus artist was Yinka Shonibare. The girls discovered Shonibare and made a connection to his work we created on our Black History Month Enrichment Day. The girls also explored his work and reflected on why they had chosen the designs they had. The girls had the opportunity to be as creative as they like with their sketch books.

The girls then had the opportunity to create their own weaves, inspired by Shonibare's fabric designs.

Value of the month:

Love

Bucket Fillers

3.1: Hannah

3.3: Ruhee & Dajewo

STARS OF THE WEEK

3.1: Abena & Rosemary

3.3: Taylor & Aisha

English:

The girls are now reaching the end of our guided reading book: The Most Beautiful Place in the World, which has helped them to empathise with the main character 'Juan' who has a dilemma and needs to find a solution.

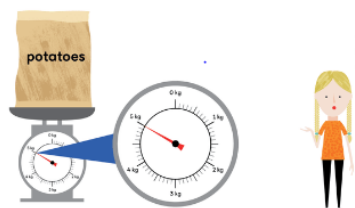

The girls also learned about comparative language, Pro's and Con's and continue to use some; others Alan Peat sentences.

For example; Some people carry things on their heads like baskets of fruit or bread; others carry heavier objects on their shoulders like planks of wood.

Maths:

This week, the girls have begun to learn what mass means and that we use a scale to determine the weight of an item. The girls have also begun to convert between grams and kilograms and know the conversion.

Use a scale to find the mass.

The mass of the bag of potatoes is about 5 kg.
