### This Week...

#### English *Charlie and the Chocolate Factory*

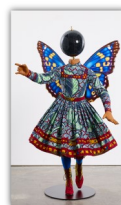

The girls continued to write letters back to Loompaland to tell family about the amazing chocolate factory they were working in and what is happening in the Chocolate room. They tell of how inventive Mr. Wonka is. They have really enjoyed writing and learning about the Chocolate room.

#### Mathematics

The girls have continued to learn about fractions. This has included how to find equivalent fractions both by multiplication and division of the numerator and denominator by the same digit. They have also looked at mixed numbers.

**Textile Day.** This week we had a special enrichment day looking at the artist Yinka Shonibare. He uses fabric to make sculpture.

The girls studied his work and how he uses material. They were able to use actual fabrics from his studio. They made beads and geese and put them together to make their own art installation.
