Year 5 Newsletter

Week ending Friday 2nd February, 2024

This week, pupils have completed their narrative and written letters as a character from the class' novel; Kensuke's Kingdom. They identified, gave examples of and used noun phrases in sentences. In Maths they made equivalent fractions which was a pre-requisite for adding unlike fractions. In DT, pupils commenced their Fairground Project with research about fairgrounds through the ages. They also revisited electrical circuits and designed a Shaky Hand Tester Game which they will make. On Thursday, they participated in a Stem Challenge: *Road to Riat* where pupils built and tested gliders, then designed a sustainable glider.
