Aspirations, Expectations, No Excuses

Value - Hard Work

Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing. Pelé

This Week...

Has been a very busy and varied week. On Monday the girls had an assembly from the Brit School about climate change and how we can make a change to and help our environment. The next day we had an assembly about British Values and especially the fact that we live in a democracy and what that means in our lives. On Wednesday year 4 went to the cinema to see Marcel The Shell with Shoes On. The film reiterated many of the school values such as grit and kindness. It really supported our PSHE curriculum.

This week has also been British Science Week. The girls have had a live lesson and learnt more about invertebrates and built on their learning from year 3. The girls have also looked at people who are making valuable careers in STEM and Smashing Stereotypes such as Mimi Nwosu a civil engineer. Breaking Stereotypes was one of the themes when the English Premier League Trophy visited the school on Tuesday along with a former student

Nadia Rose.

Alongside this the girls have continued with their English writing about The Tempest and how Miranda used her senses to describe in her diary how her Father Prospero caused the storm and its effects. In mathematics the girls continue learning about decimals and used their prior knowledge of how to round numbers and used this to round to the nearest whole number.
