Week ending: Friday, 1 March 2024

Aspirations, Expectations, No Excuses

This Week...

Monday: Chocolate Day

to make their chocolate product and then embellished it to make their own unique chocolate

This was a very busy enrichment day for the year group. The girls followed a recipe

creation. They also used their prototype box to construct the packaging for their chocolate.

Mathematics

We learnt how to convert years to months and weeks to days, applying our knowledge of time to solve word problems and started a new unit on decimals.

History

The girls learnt about the Spanish encounter with the Aztec Empire in 1519 and the significant role cocoa played in society; and that the Maya

civilisation had already experienced a significant decline and fragmented into smaller entities by the time of the Spanish arrival.

Art and Design

Created rainforest landscape collage using a variety of art techniques.

Next Week...
