### Our Easter Raffle

There was great excitement during our final Assembly this week—as well as finding out who our Students of the Term were, the girls also took part in our Easter Raffle with prizes kindly donated and many tickets bought. The proceeds from the raffle all go to benefit our pupils, so a big thank you to all those who took part.

Well done to all the girls in Year 6 who won 100% Attendance Award for this term.

We will see you all on Monday 15th April 2024

### Students of the Term

Congratulations to our Year 6 Student of the Term award winners for their hard work and commitment to learning, as well as their kind and helpful attitudes. The girls have worked hard this term—well done!

### £5 Gift voucher for Reading

Please listen to our podcast that can be found on our school website

A group of our Head Girls discuss why they chose to attend an all girls school, what additional opportunities have been made available to them in this environment, and how they feel that they have benefitted from attending Winterbourne Junior Girls' School

### Homework

The girls are taking homework booklets for Easter (see below) so that they can keep up with their reading, Maths and SPaG during the break. This is very important with SATs just a few short weeks away, and half an hour of study each day should ensure that your daughter comes back to school on the 17th ready to take on her exams!

Well done to all the girls who took part in the challenge which has inspired them to make active journeys
