### International Women's Day - 8th March 2024

This week, we celebrated International Women's Day. We learnt about the history of International Women's Day and what women were not allowed to do in the past and how through the suffragette movement, women gained more rights.

On Friday 8 March, the world will come together to celebrate International Women's Day. The campaign theme for 2024 is 'Inspire Inclusion'. "When we inspire others to understand and value women's inclusion, we forge a better world,"

**Maths:** This week children learnt to tell the time on an analogue clock, in minutes to the hour. Children had to correctly draw the hands onto clocks to match a given time, or correctly identify the time shown on a clock.

In addition, children learnt to convert hours from a 12 hour clock to a 24 hour clock and vice versa.

Telling the Time

1 Write the time each clock shows.

Story, category, glory, victory, ivory

Please bring in a scooter or a bike to school, for **5** consecutive days, in the next two weeks. Prizes will be given to children who bring in a bike or scooter for **5** consecutive days. There will also be a daily prize, if your daughter receives a gold padlock on her bike or scooter.

Help us be in the top 50 schools Nationally, again!

### PSHE:

This week, we had the opportunity to participate live event about Protected Characteristics. The protected characteristics are aspects of a person's identity that makes them who they are. These characteristics are protected under the Equality Act 2010. Some of the questions discussed were; What are protected characteristics and why are they important?; What is discrimination and why does the Equality Act matter?; How can the news help us understand the characteristics?
