Aspirations, Expectations, No Excuses

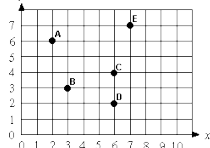

Value -
Teamwork

This Week...

English

We have continued writing blogs about life on St Kilda using another character Sam J reflecting his cheeky personality. We have looked at the new teacher (Dr. Foster) and how he interacts in his new setting.

Mathematics

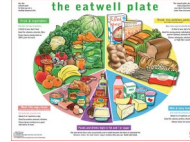

We have started work on position and movement.

This will help pupils develop a better understanding of grid references.

Seabean

Science

This week the girls investigated healthy eating and why we need certain nutrients to help maintain a healthy body.

The girls have also learned about their teeth and the names of them. Ask them the names and the function in the processing of food.

PSHE

This week the girls discussed how to show love and appreciation to those

who are special to them. Through reflection, students wrote about who/whom they are grateful for.

R.E

Students continued their understanding of how Jews show commitment to God through class discussion and reflection. Ask them how the Jews show commitment to God.

Thank you to parents who turned up to the times table virtual meeting this week. Keep encouraging your child to use Emile to keep improving their times table knowledge.
