Week ending: Friday 21st June 2024

Our Entrepreneur Project

This week Year 6 created their companies and designed the products that they are going to make and sell for a profit. Each company worked as a team to devise a financial plan based on the items they need to make their products. Next week, they will be working on the designs and prototypes of their products.

Transition Workshop

Year 6 has attended their first workshop this week which is run by the NHS, focused on looking after their mental health, and sharing their concerns about moving on to secondary school. Year 6. This workshop was designed to make the move from primary to secondary school as smooth and positive as possible, ensuring children are emotionally ready for the change.
