Aspirations, Expectations, No Excuses

This Week...

English

We had a visit from the author Sarah Holding, who wrote the text we are studying SeaBean. She inspired the children's writing. It was so fabulous to listen to how an author works. .

This helped the children both in and out of the circle formulate ideas for writing.

Mathematics.

We continue our work on Roman numerals. The girls have found this number system fascinating. The **MTC** has started - the girls will be sitting this test in small groups over

the next week.

PE

As part of our P.E. curriculum the girls travelled to Lloyd Park for an orienteering enrichment session. It was wonderful to watch all the girls

working together to achieve the challenge.
