## Year 3 Newsletter

We're working towards Artsmark Awarded by Arts Council England

**Week ending: Friday, 19 July 2024**

It was a pleasure to teach your daughters in Year 3 this year. They have shown commitment in all areas of their learning and their dedication towards their learning was admirable. We wish them all the best of luck for Year 4!

**Mrs Gonzalez, Miss Clarke, Mrs Din & Mrs Rahim**

**Value of the month:**

Independence and  
Courage

### Design & Technology:

As part of sports week, the school completed activities based around healthy living. Year 3 had the opportunity to learn about breads around the world, how bread is made and they got a chance to bake some bread. They created the bread in teams and were able to apply their knowledge of the different bread shapes when creating their own bread.

The girls also got to use the five senses to evaluate the taste of their bread.

### STARS OF THE WEEK

### Maths:

The girls have finished the chapter Perimeter. They are now able to identify the perimeter using the multiplication method and addition method.

We have sent their workbooks home (2A, 2B, 3A and 3B). Please encourage your daughters to complete the incomplete pages in the workbooks and use it as a guide to recap all their learning for Year 4.

### SKY ARTS DAY

For this year's Sky Art Day our theme was connection. The girls' used the knowledge of the *The Secret Garden*, to create more images for a key arts poster.

Don't forget to join the summer reading challenge! Your daughter can start the challenge at any Croydon library.

We will be asking the girls to bring in their certificate of achievement from the challenge in September.

Happy Reading!
