Self Esteem
Self Reliance

Winterbourne Junior

Year 6 Newsletter 3

Week ending: Friday, 20th September 2024

This week's learning:
In English writing, Year 6 used emotive language, imagery and dramatic punctuation to write their monologues in a role based on our class text 'Torn Apart'.

The reading skill focus this week was 'Summarising information'. The girls further developed and practiced the skill during independent/guided reading and in the comprehension lessons.

Exciting News!!

WJGS has been selected as one of the lucky 10 primary schools for an extraordinary STEM for Sustainability adventure!

Over this term, year 6 will be developing hands-on STEM skills to design solutions for a sustainable future.

Below is the latest technology Twin Science STEM Kits that our girls will be using during the sessions.

This week in RE, we have been exploring how the journey of life is marked by different events, and how our lives change according to the time and circumstances.

We learned about different religious ceremonies to mark the journey of life such as Christening and Bat mitzvah and discussed whether we had taken part in any of these.
