English: In this week's lesson, we concluded our Recount of our visit to our Egyptian tomb. The girls learnt a new Alan Peat sentence 'verb, person sentence' for example, Trembling, I made my way into the dark tomb.'

Science: The girls completed mini investigations, where they explored how static electricity is created i.e. **an unbalanced charge that is not moving**. They completed three stations writing a conclusion for each, based on their observations.

Music: Over the last two weeks, the girls have been focusing on our unit 'Building', where they have explored sounds associated with building tools and identified percussion which creates these sounds.
