Aspirations, Expectations, No Excuses

A warm welcome back to the start
of our summer term.

This Week...

English

We have started our new book **SeaBEAN**. It is a science-fiction book. We have been investigating our new genre and found out that it is set on the real island of St. Kilda. The girls were fascinated by the fact that St. Kilda was evacuated nearly 100 years ago.

Mathematics

The girls have continued to learn about decimals. They learnt to recognise and find the decimal equivalents of $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$. The girls learnt how to convert fractions with different denominators to decimals. They have successfully applied this knowledge to solve maths problems.

$$\begin{array}{r} 6 \quad 24 \\ - \quad - \\ 25 \quad 100 \end{array} = 0.24$$

(Note: The diagram shows a conversion from 6/25 to 24/100 by multiplying numerator and denominator by 4.)

I.T

The girls commenced their new

computing topic on Artificial Intelligence (AI)—they began learning the basic concept of artificial intelligence, Identifying real-life examples and the impact AI has in our daily lives.

Music

The girls thoroughly enjoyed learning about samba music's origin. They had the amazing opportunity to play some samba music on various instruments. Discuss with your daughter what instrument they used and the songs they played.
