**Week ending Friday 25th April 2025**

## This Week...

This week, pupils completed Star Reading and Star Maths tests, to track their progress.

## Maths

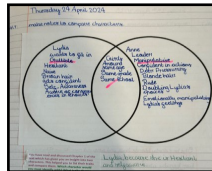

Pupils revised the concept of angles, exploring the key features of acute, obtuse and reflex angles. They were introduced to the protractor, learning how to use it accurately to measure angles. They also developed an understanding that angles on a straight line add up to 180 degrees. It's been a great week of hands-on learning and building confidence with angle work!

## English

Pupils began exploring our new class text, *Thief* by Malorie Blackman, by

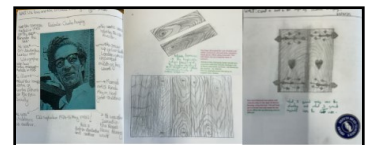

analysing the front cover and using visual clues to make thoughtful predictions. They then used a Venn diagram to compare the two main characters, followed by rich, descriptive language to highlight key similarities and differences between them.

**DT:** Pupils also completed their carousels (from last term), decorating and putting the final touches ready for our exhibition next week.

**Art:** Pupils brought the tale of *The Highwayman* to life by designing dramatic and atmospheric doors inspired by the haunting style of Charles Keeping.
