This Week...

English

The girls continued writing their sci-fi story using figurative language to enhance their descriptions and to illustrate their character's emotions.

Mathematics

We have started working on the units of measurements. The girls learnt how to order, compare and convert different measurements for length, mass and volume using

Linear:	Mass:
1cm = 10mm	1cg = 10mg
1m = 1,000mm	1g = 100cg
1m = 100cm	1g = 1,000mg
1km = 1,000m	1kg = 1,000g
Capacity:	
1cl = 10ml	1l = 1,000ml

decimal notations.

Science

This week the girls investigated the major organs in our body. They learnt about their functions and their significance. They also explored the location of each organ and researched how they operate as a system. Ask your daughter about the organs she investigated and the amazing facts she learnt.

History

The girls explored the timeline and discovered the significance of events

in the history of the potato. They enjoyed selecting six important events and considered the positive impact it has had in our lives.

On Thursday...

The girls participated in a Creativity Live Assembly, celebrating wellbeing. Here they completed a workshop about what it entails being part of a Community. Ask your daughter about the activities she took part in.
