Week ending Friday 16th May 2025

This Week...

English

Pupils turned into journalists, reporting live from the dramatic events of Chapter 8 in 'Thief!' by Malorie Blackman. They interviewed "witnesses," pieced together facts, and wrote compelling news reports as if they were covering the incident for a local paper.

Maths

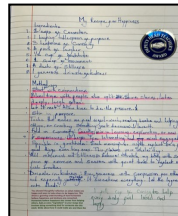

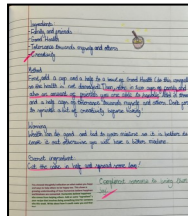

Pupils completed the Geometry unit by using their knowledge of angles and lines to solve problems with regular polygons. They've now begun exploring position and movement by

plotting points and describing shape translations on a grid.

R.E

Pupils learned about Humanism and the belief that finding happiness is one of the most important goals in life. They reflected on what brings them joy and created their own "Recipes for Happiness," with a strong focus on the idea that happiness often comes from helping others.

PE

Pupils have continued building confidence in map reading and control flow skills, successfully completing point-to-point routes. They are showing increased independence and strong progress in navigation.

Well-Being **LIVE**

On Thursday, year 5 joined an exciting Creativity Live session to celebrate wellbeing! Using the powerful metaphor of a tree, students wrote poems about how their values, support systems, and kindness help build resilience and boost mental health.
