

Week ending: Friday, 23rd May 2025

Science

The girls explored the different types of seed dispersal. They understand that seed are dispersed in several ways. They understand that seed dispersal helps plants reproduce and that it is good for them to spread out. The girls used a magnifying glass to look at the parts of the dandelion seed. They discussed what happens when one blows the clock and why the parts of the clock are like parachutes.

STARS OF THE WEEK

3.1: Natalia & Raka

3.3: Maram & Izzy

English:

The girls have published their letters, displaying good penmanship and editing skills. They have completed assessments in Star Reading and SPaG.

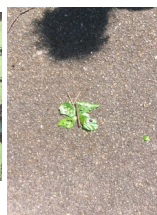

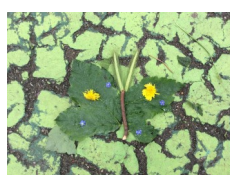

Maths:

The girls continued using their knowledge of right angles to describe a 'turn'. They described $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$ and full turns, using terms such as 'clockwise' and 'anticlockwise'. Next, they were introduced to types of lines. They identified lines as perpendicular, parallel, horizontal and vertical.

Art:

The girls looked at the work of Andy Goldsworthy—a British artist, photographer and environmentalist, who uses natural materials to create temporary sculptures. They created their own natural sculpture in his style.
