

Week ending: Friday, 2nd May 2025

Music:

This half term our subject focus is Science. Through Music, the girls have learned some of the bones in the body and where you can find them.

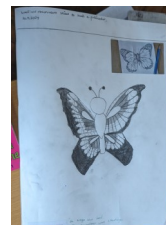

Why not use the image below, to test your daughters knowledge of the bones.

Art:

The girls created an observational sketch of a butterfly, which links to our Science topic about pollinators. They followed step-by-step instructions creating light and shade for their butterfly.

The girls thought about size and proportion of a Monarch butterfly, focusing on the detail of the body.

English:

This week we continued reading our class text (The Secret Garden).

The girls discussed the main character's emotional state and wrote from her point of view. They have included direct speech, creating a dialogue between the gardener and the main character (Mary).

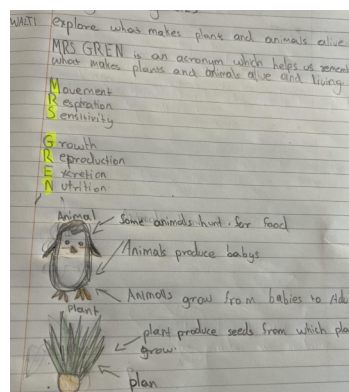

Science:

The girls have been learning about the characteristics of living things. This has helped them to understand what makes plant and animals alive.

They learnt about **MRS GREN** and what the acronym stands for.

Next week, we will be exploring roots, in more detail and where water goes in a plant.

Maths:

The girls have been getting on well with fractions. We have recapped halves, quarters and thirds. They have understood the key terms, numerators, denominators, parts and wholes. The girls also practiced finding fractions of an amount using pictorial, bar models and abstract methods.
