Week ending: Friday 2nd May 2025

Aspirations, Expectations, No Excuses

This Week...

English

We have been writing a diary entry about life on St Kilda in the 1920s. The girls enjoyed using emotive language to describe their feelings.

Mathematics

The girls have continued their learning about money and have applied their knowledge to solve word problems

Science .

The girls completed their topic page on "What happens inside of us?," and received an introduction on what they will be learning this term. They also learnt about the seven processes of living via "Mrs Gren," and classified objects into living, dead or never alive.

MRS GREN

History

This week we learnt about Captain Cook and James Lind. The girls found out

that in the past, sailors suffered from scurvy. In 1753, a doctor carried out an experiment and found that fruit juice helped to keep scurvy at bay. This discovery started the journey to help us understand what a healthy diet is today.

Safety Reminder - All WJGS girls need to come through the Pedestrian Gate in the morning
