Winterbourne Junior Girls' Year 5 Newsletter

Week ending Friday 2nd May 2025

This Week...

English : Pupils stepped into the shoes of Lydia, from Thief, and brought her story to life through gripping formal and informal letters. They captured her voice and emotions, while confidently showcasing their knowledge of each letter type.

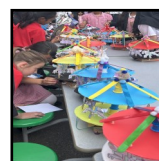

Maths: Pupils learned to use a protractor to measure and draw acute and obtuse angles, and explored key angle facts to calculate unknown angles on a straight line and around a point, building a strong foundation in geometry.

PSHE : Pupils explored the personal qualities that make them unique and reflected on how self-esteem and positive self-talk help shape their identity. They discovered how building a positive mind-set can boost their confidence, resilience, and overall happiness.

Pupils enjoyed an exciting whole-school orienteering event that combined physical activity with Religious Education. While navigating the course and spotting religious symbols, pupils strengthened their map reading, problem-solving, and teamwork skills.

DT

Pupils completed their DT fairground projects, using electrical circuits to power their designs. They proudly presented their work in an exhibition for peers, friends, and family, showcasing both creativity and technical skill.
