Winterbourne Junior Girls' School Year 6 Newsletter 29

Week ending: Friday 2nd May 2025

Maths

This week, Year 6 learnt how to present and interpret information in different ways. They specifically focussed on Pie Charts and line graphs; drawing reading and interpreting the information in them.

They also explored a variety of uses for line graph, including converting units of measurements and currency.

Saturday tuition will be taking place **as normal tomorrow. Monday 5th May is the Bank Holiday**, and the school will be **closed**.

Assessments this week.

The girls performed well in their assessments this week, providing valuable preparation for their upcoming SATs. Their results also offered a final chance to identify areas for revision.

Encouraging your daughters to maintain their revision routine is crucial for solidifying their year-long learning. Please ensure their consistent attendance at school, including Saturday tuition and Tuesday after-school boosters.
