## This Week…

English

Pupils became powerful speakers as they explored speech writing through the character of Lydia from The Thief. They wrote persuasive speeches using Lydia's thoughts, emotions, and motivations, employing powerful language and Alan Peat sentence structures to influence and engage.

Maths

Pupils calculated angles inside quadrilaterals, solved problems involving parallel lines and diagonals and investigated regular and irregular polygons. PSHE

PSHE: Pupils explored the positives and negatives of online communities, recognising both the support they offer and risks like cyberbullying and misinformation. They ended by making pledges to be responsible digital citizens.

VE Day Enrichment

On Thursday, to celebrate 80 years since VE Day, pupils enjoyed a creative afternoon making medals and paper rosettes. The activity helped them reflect on the significance of the day while expressing their learning through art and design.
