**Week ending: Friday 13th June 2025**

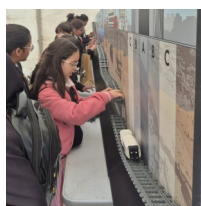

### Our Entrepreneur Project

This week Year 6 created their companies and designed the products that they are going to make and sell for a profit. Each company worked as a team to devise a financial plan based on the items they need to make their products. Next week, they will be working on the designs and prototypes of their products.

### Bluebell Railway Trip

This week, Year 6 enjoyed an exciting trip to the Bluebell Railway! They explored the science, maths, and engineering behind railways, joined a STEM workshop, and learned about railway safety. They also discovered how railways changed

the world and had fun riding a steam train through the beautiful High Weald.
