Value - Responsibility

You cannot escape
the responsibility
of tomorrow by
evading it today.

Week ending: Friday 20th June 2025

Aspirations, Expectations, No Excuses

This Week...

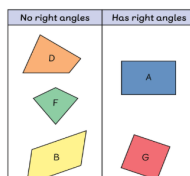

English:

We began writing a set of instructions in time order, to help the players understand how to play the game. They achieved this by considering which words will link the instructions to the game theme.

Mathematics:

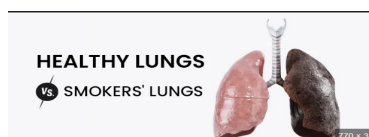

In Mathematics this week we have carried out our end of year assessments.

Furthermore, the girls continued learning more about geometry.

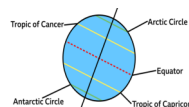

Science:

The girls learnt about how to keep healthy. They explored substances that are harmful for their health, such as smoking and the damages that it can cause to their body.

Geography:

In this lesson we explored all the Earth's major lines and their significance. The girls identified and located the seven continents, labelling them on a map.

Author's Visit...

Sarah Holding, author of SeaBean, enlightened us with an amazing workshop. Ask your daughter what they learnt.

Reminder...

School trip to the Southbank on Monday 23rd June. NB: Girls should return by 5pm: **please check your Parentmail for further announcements.**
