Winterbourne Junior Girls' Year 5 Newsletter

Week ending Friday 20th June 2025

This Week...

English

Pupils became expert instructors as they wrote clear and concise instructional texts on how to make their own

necklaces. Using powerful, sophisticated sentence starters, they wrote step-by-step guides aimed to hook their readers.

Maths

Pupils explored time and temperature through real-life word problems and began their end-of-year maths assessments, showcasing their progress.

They're encouraged to revise number facts and written methods at home to reinforce learning and boost confidence for next week's final tests.

RE

Pupils explored Humanist beliefs about human nature and how we can use our potential to improve the world. They reflected on qualities like kindness, empathy, and reason, developing a respectful understanding of different worldviews and their own role as global citizens.

A Stage of Possibilities

On Thursday, Year 5s took part in an inspiring assembly about the Performing Arts Scholarship at Shirley High School. They

learned key details about the program and how to apply. It was an inspiring experience that encouraged many of our girls to start thinking about their future in the arts.

Sports Relief

As part of our Sport Relief celebrations, the girls had an energetic and exciting time taking part in a school-organised

Zumba session. It was a fantastic way to get moving while supporting a great cause.
