Year 3 Newsletter

Week ending: Friday, 6th June 2025

You are always
responsible for how
you act, no matter
how you feel.
Remember, that.

Welcome back to the girl's final half term in Year 3! It will certainly be a busy half term; full of hard work and fun.

English:

We have started reading a book called Journey to Jo'burg by Beverley Naidoo. It's about two young children who travel on their own, from their village to Johannesburg. They want to find their Mma who works there. They want to bring Mma back home, as, their baby sister is gravely ill. This week, the girls researched about Johannesburg and wrote a fact file about the city in South Africa.

Maths:

The girls practiced drawing 2D shapes on squared paper with a grid unit of 1 cm. This was a great opportunity for the girls to apply their knowledge of horizontal/vertical lines, quadrilaterals, parallel/perpendicular lines, acute angles and obtuse angles.

Draw a triangle that has 1 obtuse angle.

CATERPILLAR CAM:

As part of our Science focused topic this half term, Year 3 have a chance to raise caterpillars into butterflies and then release them once they are ready.

The caterpillars arrived this week. They have been placed into their individual pots with their food. They will remain in their pots until they grow and become chrysalis, before they move into their butterfly enclosure.

We have ducks!

A lot has happened this week! Our duck eggs arrived on Monday and hatched on Wednesday/ Thursday. They have been safely moved from the incubator into their brooding cage. We even got to witness a live hatching!

Swimming:

3.1 start swimming next Thursday 12th June. Please remember to pack in a separate bag: full piece swimsuit, towel and swimming hat.
