Week ending: Friday 6th June 2025

Aspirations, Expectations, No Excuses

This Week...

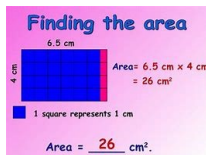

English

We have started to explore a non-fiction text. The girls have begun to create an environmentally friendly leaflet using persuasive language to keep the reader engaged and convinced.

Mathematics

The girls continued to find the area and perimeter of 2D shapes. They are able to explain the difference between the two terms.

History

The girls started to evaluate and plan their design for their board games based on the topic "What happens inside us."

RE

This week we looked at why places of worship are important to our communities and the important roles they play other than teaching us about their faith, such as providing food banks etc.

Science

This week the girls had an enjoyable time learning about the main components and process of the digestive system. They now understand what happens to each mouthful they take and where it goes.

This week...

The girls participated in a live assembly about how to make London more sustainable and what they can do to help.
