Allergy Awareness Week

This week we focussed on Allergy Awareness. Our girls participated in four lessons, the aim of which, is to raise awareness about allergies, their impact, and how to manage them. Knowledge about allergies highlights the challenges faced by people with allergies and educates about the seriousness of allergic conditions.

Commencement of Arts Week 2025

On Tuesday, we commenced our Arts Week activities, joining other schools around the country in "Create Day" - three hour-long sessions of creative singing/dancing workshops, hosted by the Royal Ballet Group.

In the afternoon, they joined Darcy Bussell from the Royal Academy of Dance for a high-energy movement workshop where they dance through moves inspired by cultures from around the world.
