Year 6 Newsletter 39

Week ending: Friday, 11th July 2025

Year 6s enjoyed an exciting Spanish-themed day at BFI Southbank. They took part in interactive language activities using short films. They also watched a Spanish movie with subtitles which was an engaging way to experience the language and culture beyond the classroom.

Our Sports day at Croydon Arena

The day was a huge success, and Year 6 had a wonderful time at the Arena. There was an impressive display of skills, stamina, determination and sportsmanship from the girls.

Well done to all, and congratulations to everyone who were in this year's winning team. Many thanks to all the parents who attended the event to support the girls.

Our Entrepreneur Project

This week year 6 was busy advertising and selling the products which they made over last two weeks. The sales went very well, the girls conducted themselves highly professionally throughout the process and certainly acquired a multitude of valuable life skills and attributes. At WJGS, we strongly believe that providing our children such opportunities not only inspires them to excel academically, but empowers them in their career choices later in life, whatever they may be. Well done Year 6!
