

Winterbourne Junior Girls' School Year 6 Newsletter 39

Week ending: Friday 18th July 2025

Transition to Secondary School

This term, our Year 6 pupils attended a series of specially designed transition workshops aimed at supporting them as they prepare to move on to secondary school. These sessions led by the NHS, focused on the importance of looking after their mental health and provided a safe space for children to express any concerns or anxieties they may have about the upcoming change.

These mental health workshops were a part of a well-rounded programme developed by the school to ensure that every child is emotionally and practically equipped for the challenges and opportunities that secondary education brings. Through these sessions, pupils learnt essential skills such as emotional resilience, self-confidence, and strategies for managing change.

The school has worked closely with external agencies and professionals to deliver this comprehensive series, reflecting our ongoing commitment to supporting the wellbeing of our students during this significant transition. By taking part in these interactive and supportive workshops, Year 6 were thoroughly prepared to take their next big step with confidence and a positive mind-set.

Online Internet safety

Here is the link for the **Internet Legends** game which the girls can play during their summer holidays. They can explore the different islands and learn about staying safe online

https://beinternetawesome.withgoogle.com/en_uk/interland/

Please note: Some online games or platforms include chat functions. These are only suitable for users aged **13 and over**. Always use the internet responsibly.

Our Entrepreneur project

This half-term, the Year 6 girls proudly wrapped up their entrepreneurial project, successfully selling the last of their hand-made products. Throughout the process, they demonstrated creativity, teamwork, and a professional attitude that truly impressed everyone involved. Their efforts culminated in a remarkable total profit of **£776.59**, a testament to their hard work and business acumen.

A special congratulations goes to our **Top 5 highest-earning businesses:**

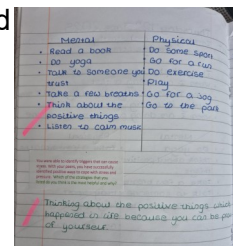

- Dream Avenue – £109.40
- Sunset Boutique – £109.16
- Wishful Wonders – £101.20
- Fashion Craft – £73.00

PSHE Lessons

In PSHE, the girls have been looking back on their fond memories of primary school and what they enjoyed most here at WJGS. With this in mind, they then shared what they were looking forward to most about their new adventures in their secondary schools and addressed any worries

Also, the girls explored the importance of imagination and pictured themselves in their future careers. They created short term, mid term and long term goals to break down how they will get to achieve their aspirations for the future.

Make sure you read all the communication from your new secondary school carefully. This includes: Emails, Letters sent to your home, messages or alerts via school apps or portals and information on their website.
