

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending Friday 26th September 2025

This week the girls have begun to explore Explanations. They have, so far, planned, written their introduction and first and second stages of their explanations on *how to become a True Firework-Maker*. In Reading Comprehension, they answered questions based on the Summarising Skill.

In Science, they experimented to identify how materials can be separated. They discussed the following separation methods: *magnetism, sieving and filtration*.

In Maths, we completed our first chapter "*Place Value*" with a review and have begun Chapter 2: *Addition and Subtraction of whole numbers*.

This week's RE lesson focussed on understanding why and how Sikhs care for others and the environment.

In PE, the girls continued exploring the basics of the movements of dance, moving the body between shapes.

Curriculum

Class Text: The Firework Maker's Daughter

English: Explanation Text

Math: Whole Numbers: Addition/Subtraction

RE: Why should we care for the world?

Science Unit: Mysterious Materials

Bucket Fillers

Kindness
