### Cultural Heritage Week

**At WJGS**, we are proud of the diversity of our staff and pupils. Every year we celebrate heritage week which gives us all an opportunity to research and celebrate our own and the heritage of others. This week, we have been creating recipes for cultural dishes, making our own flags, exploring countries of our heritage and finally, created a group dance that included styles from around the world. The girls also took the opportunity to carry out a 'show and tell' with an item from their culture.. They also explored the cultural food and the festivals.
