

# Winterbourne Junior Girls' School

## Value - Tolerance

*Tolerance makes it possible for conflicting beliefs, values, and ideas to coexist with respect.*

## Year 4 Newsletter 10

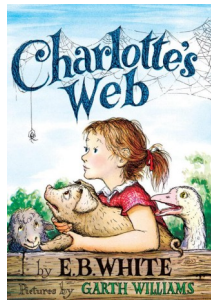

**Week ending: Friday 14 November 2025**

*Aspirations, Expectations, No Excuses*

### This Week...

#### English Charlotte's Webb

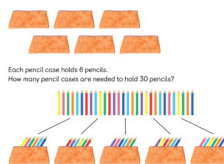

We continued reading Charlotte's Webb by EB White. We wrote a diary entry from Fern's perspective by ordering the key events, describing the events and

tapping into Fern's emotions. We also chose words to create an atmosphere. The girls really enjoyed this work.

#### Mathematics

The children have worked hard on multiplication this week and have just started to use this knowledge to support division. They learnt what "quotient" means—feel free to ask your daughter the meaning of the word.

#### History

The girls discovered why we speak English, by examining old and new words in the English language. This helped them to understand how the English language has evolved over time.

#### PSHE

The girls learnt that it is wrong to make assumptions based on how people look like and discussed the reasons why it is unfair to do so.

#### Geography

The children explored United Kingdom (UK). They located the countries and their capitals by using locational resources and found out the physical geography of each country.
