Week ending: Friday, 14th November 2025

History

Our new topic this half term is:
Has There Ever Been a Better
Time to Live Here?

We will learn about how people
lived in different times and to what
extent it was a good time to live,
focusing on the cultural, econom-
ic, military, political and social
factors.

Children will then use this to re-
flect and think about their future
and the idea of change in society.

DT Project– Year 6

We have been
studying the de-
sign and aerody-
namic features
of rockets. We created our own
air powered rockets and evalu-
ated We evaluated our air-
powered rockets by analysing
their design, and
identifying areas
for improvement
to enhance their
efficiency.

STEM this week:

Year 6s have been
learning that STEM
(Science, Technolo-
gy, Engineering and
Maths) is for everyone! They ex-
plored the wide range of skills
used in STEM sub-
jects, from creativity
and teamwork to prob-
lem-solving and communication,
and discussed how each one can
be applied in different careers,
such as engineering, coding, med-
icine, and architecture.
