Week ending Friday 7th November 2025

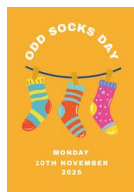

Welcome back to a new half term!

English: Pupils are studying two engaging texts by Terry Deary: *The Magic and the Mummy* and *The Plot on the Pyramid* — both set in Ancient Egypt. This links closely with our History topic for the half term. This week, pupils have been focusing on writing a set of instructions on how to make mud bricks, exploring the key features of instructional writing, including the use of imperative verbs.

Maths: The girls have begun their multiplication unit, developing an understanding of multiplication as "groups of". They have applied this understanding to learn and recall the three and four times tables, building a solid foundation in key number facts. We would really appreciate your support in helping your child to secure her times table facts at home — a few minutes of regular practice (quick recall games, chanting, or using Times Table activities on Emile) makes a big difference!

Topic - Who Were the Greatest Builders in the World?:

The girls were introduced to a new History focused topic. We will be looking at different builders from different civilisations. We will be exploring the earliest civilisations and locate where the first towns and cities were in the world. This will then lead us to learn about the achievements of the Ancient Egyptians – the period of building the great pyramids.

**Reminders:**

Next week is Anti-Bullying Week, beginning with **Odd Socks Day** on Monday, 10th November. Please ensure your daughter wears full school uniform along with a pair of odd socks.

Parents' Evening will take place on Monday, 10th November, and Tuesday, 11th November. Bookings can be made via ParentMail. We look forward to meeting you all.
